

Diya Sharma

ML Engineer

Summary

- Machine learning engineer focused on NLP and computer vision.
- Hands-on with PyTorch, scikit-learn and model deployment via FastAPI.

Skills

- Python, PyTorch, TensorFlow, scikit-learn, Pandas, NumPy, SQL, FastAPI, Git

Projects

- Fine-tuned a transformer model for sentiment analysis (F1 0.91) with PyTorch.
- Built an object-detection pipeline using YOLO and OpenCV.

Education

- B.Tech Artificial Intelligence, 2023
